Subject index

A

Access to intensive care, critical analysis, 204
Advanced nursing practice, 65
Allocated nurse, role with critically-ill children, 10
Analgesics in chronic pain
[T]dependency, 95
[T]parenteral, 58
Antibiotics for Gram-negative infections, new, 239
Anxiety in elective cardiac surgery patients in early post-discharge period, impact of telephone support, 142
Availability of intensive care, critical analysis, 204

B

Bad news, breaking, 101
Bed sores, pressure area risk-assessment tool, 169
Bed therapy, low-air-loss, 154
Benzodiazepine dependency, 95
Breaking bad news, 101

C

Canadian Association of Critical Care Nurses, 1999 meeting, 300
Cardiology, *see also* Coronary heart disease; Myocardial infarction
[T]cardiac rehabilitation, 163
[T]elective cardiac surgery, psychological impact of telephone support in early post-discharge period, 142
Chest X-ray quiz, 61, 117, 179, 243, 303
Children in ICU, *see also* Premature infants
[T]in district general hospital, 279
[T]outcome, measuring, 44
[T]role of allocated nurse and shift leader, 10
Clinical governance, 210
Communicating bad news, 101
Confusion, acute, and the ICU syndrome, 19
Consumables, costing, 235
Continuous positive airways pressure, leak detection, 122
Coronary heart disease, 163, *see also* Myocardial infarction
[T]coronary care unit, nurses' narrations about caring, 34
Cost-effective approach to intravenous therapy, 338
Costing of consumables, 235
Critical Care Forum, RCN, 127
Culture and spiritual care, 63

D

Dalfopristin/quinapristin, combination, 239
Data collection in operating department and observational methodology, 288
Decision-making, allocated nurse and shift leader in paediatric ICU, 10
Decubitus ulcers, pressure area risk-assessment tool, 169
Depression in elective cardiac surgery patients in early post-discharge period, impact of telephone support, 142
Diabetes during myocardial infarction, management, 259
Diaries, nurses', patients' and relatives' opinions and feelings, 185
District general hospital, paediatric intensive care ICU, 279
Drugs
[T]dependence (iatrogenic), 95
[T]reviews, 58, 115, 177, 239, 298, 369

E

Erectile dysfunction and sildenafil, 177
Evidence-based nursing practice, Iowa model in establishment of, 357

F

Family members opinions and feelings about nurses' diaries, 185
Foot massage, 77

G

Generalist vs specialist ICU, staffing levels, 52
Governance, clinical, 210
Gram-negative infections, new antibiotics, 239

H

Haemodynamic workshop, O_2 delivery optimization, 371
Heart, *see* Cardiology
Heideggerian investigation into lived experience of humour by nurses in ICU, 266
Hepatitis C, 115
High-dependency unit, patients' perspective of quality of care, 324
Humour, 245
[T]Heideggerian investigation into lived experience by nurses in ICU, 266
Hyperglycaemia during myocardial infarction, management, 259

H

Impotence and sildenafil, 177
Infants, premature, kinaesthetic handling and effects on O_2 saturation levels, 214

© 1999 Harcourt Publishers Ltd

Infections, Gram-negative, new antibiotics, 239
Influenza, zanamivir, 369
Insulin during and after MI, 259
Intensive care unit syndrome, 19
Interferon alpha in hepatitis C, 115
International Council of Nurses (ICN)/RCN Conference, Centennial of ICN celebrated at, 125
Intravenous therapy, developing a clinically and cost-effective approach, 338
Iowa model in establishing evidence-based nursing practice, 357

J

Jackson/Cubbin Pressure Area Risk Calculator, revised, 169

K

Kinaesthetic handling of premature infants, effects on O_2 saturation, 214

L

Linezolid, 239
Low-air-loss bed therapy, 154

M

Managers, staffing levels adopted by, specialist vs generalist ICU, 52
Massage, foot, 77
Multiculturality and spiritual care, 63
Myocardial infarction, acute
[T]diabetes and hyperglycaemia during/following, management, 259
[T]nurses' narrations about caring, 34

N

Neonates, premature, kinaesthetic handling and effects on O_2 saturation levels, 214

O

Obesity, morbid, orlistat, 298
Observational methodology and data collection in operating department, 288
Operating department, nurses and nursing in
[T]data collection and observational methodology, 288
[T]role of nurses, 346
Opioid analgesics
[T]dependency, 95
[T]parenteral use in chronic severe pain, 58
Orlistat, 298
Oxygen delivery optimization, 371
Oxygen saturation, effects of kinaesthetic handling of premature infants on, 214

P

Paediatrics, *see* Children
Pain
[T]chronic, analgesics, *see* Analgesics
[T]postoperative, assessment strategies, 247
Parenteral analgesics in chronic severe pain, 58
Postoperative pain assessment strategies, 247
Premature infants, kinaesthetic handling and effects on O_2 saturation levels, 214
Pressure Area risk-assessment tool, 169
Psychodynamic responses to therapeutic touch, 363
Psychological well-being
[T]of elective cardiac surgery patients in early post-discharge period, impact of telephone support, 142
[T]of ICU patients, 19
Pulse Points, 111

Q

Quality of care in high-dependency unit, patients' perspective, 324
Quinapristin/dalfopristin, combination, 239

R

Radiography, chest, quiz, 61, 117, 179, 243, 303
RCN, *see* International Council of Nurses (ICN)/RCN Conference; Royal College of Nursing Critical Care Forum
Relatives' opinions and feelings about nurses' diaries, 185
Relenza®, 369
Respiratory assessment, 226
Respiratory distress syndrome, acute, prone position in, 192
Ribavarin in hepatitis C, 115
Roles and responsibilities
[T]in advanced nursing practice, 65
[T]of allocated nurse and shift leader with children in ICU, 10
[T]expanding, staff views, 147, 313
[T]in operating department, 346
Royal College of Nursing Critical Care Forum, 127, *see also* International Council of Nurses (ICN)/RCN Conference
[T]*Intensive and Critical Care Nursing* as official publication, 1, 2

S

Shift leader, role with critically-ill children, 10
Sildenafil citrate, 177
Specialist vs generalist ICU, staffing levels, 52
Spiritual care
[T]culture and, 63

© 1999 Harcourt Publishers Ltd

[T]Taiwanese nurses' appraisal of lecture on, 83
Staffing levels, specialist vs generalist ICU, 52
Stress-reducing effects of foot massage, 77
Subcutaneous analgesics in chronic severe pain, 58

T

Taiwanese nurses' appraisal of spiritual care lecture, 83
Telephone support in early post-discharge period following elective cardiac surgery, psychological impact, 142
Touch, therapeutic
[T]experiences of administering/receiving, 283
[T]physiologic and psychodynamic responses to, 363

U

Unreal experiences and the ICU syndrome, 19

V

Viagra, 177

W

Workforce staffing levels, specialist vs generalist ICU, 52

W

Xenical, 298
X-ray, chest, quiz, 61, 117, 179, 243, 303

Z

Zanamivir, 369
